FILM STUDY GROUP CHILDREN'S SHOW SEAL ISLAND - BAMBI

As in the past, at the season of Christmas, the Film Study Group will present an evening of entertainment for children as well as adults. The program this year consists of the Walt Disney featurette Seal Island and the well known and loved Bambi.

Seal Island, filmed in color and photographed on an island of the Pribilofs in the Bering Sea, is the story of one of nature's most astounding phenomena - the return of the fur seal to the barren shores that they may bear where they were born.

Curtain time has been advanced one hour - the time is 7:30 - Lecture Hall - Thursday, December 18, 1952. Admission - adults, \$.50, children \$.25.
